

Creating A Full Page: STANDARD Size

Ex.: Artwork Page Size is **8.5" high x 11" wide**, but be sure to **add 1/8" bleed** on all edges.

Size

Ensure that the page you create is **1/8" larger on all sides** than the calendar size. This extra image area is called *'bleed'* and will be trimmed off after printing.

Standard Calendar

ARTWORK SIZE
(includes BLEED)
8.75" (h) x 11.25" (w)

FINAL TRIMMED SIZE
8.5" (h) x 11" (w)

The **hole punch** is 3/16" in size, centered horizontally, and positioned approximately 3/8" from the trim line. *Avoid placing text or logos in this area.*

Ensure all text is at **least 3/8"** away from all trim lines.

Saving Your Pages:

Single Pages

Create **single pages** as described above, **NOT** 2-page spreads.

Resolution

Save the file as **300 pixels per inch (ppi)**. For more information about resolution, download our "*Image Resolution*" Tip Sheet.

File Format

Save as **high-res JPG**. *TIF, PNG* and *EPS* files are also accepted.

Color

Save the file as **RGB**, **NOT** CMYK. *Tip: Use Adobe RGB (1998) color profile.*
